Ebeye, Kwajalein, Marshall Is.

Dear Dr. Korean:

This letter is in response to yours of October 21 inquiring  
about the Rongalapese family and the lady from Utirik.

I can only state that I have turned your inquiry over to  
the ERDA office in Honolulu for requested action. I regret that  
it is not in my power to assist in this matter.

Thank you for your letter. It was nice to hear from you.

Sincerely,

*H. Morrison*
